

Statue of Equality Grand Spiritual Run

Run for Oneness, Health & Service

Presented by Acharya-Team

Why This Run?

Run for Oneness, Health & Service

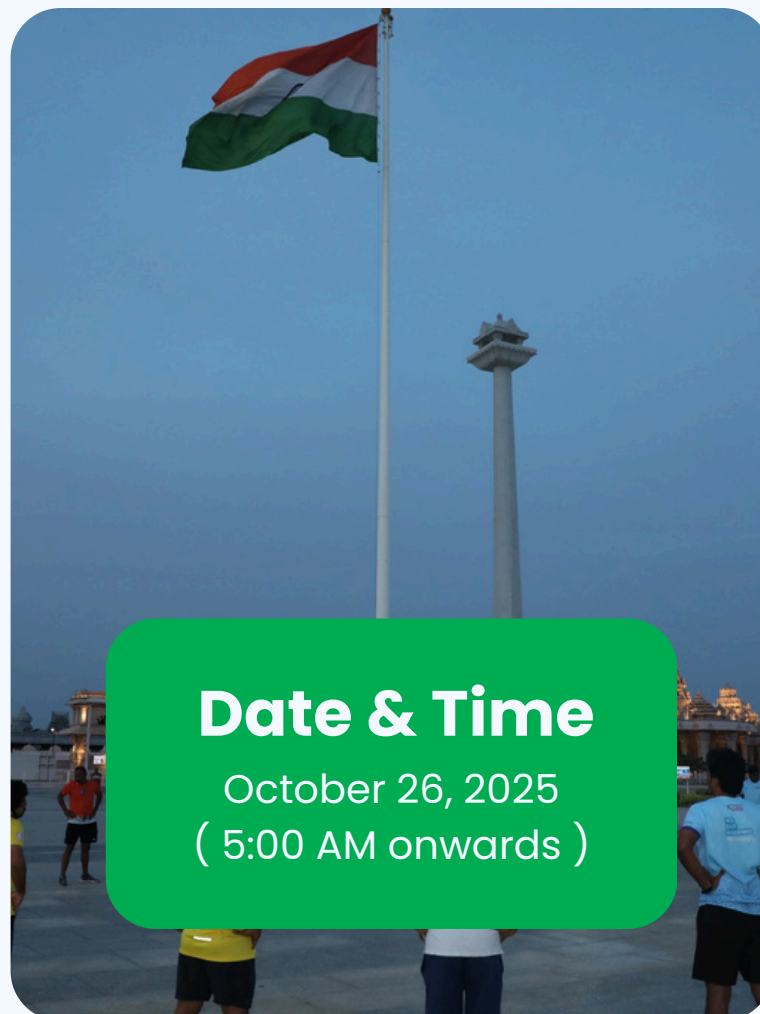

The Grand Spiritual Run at Statue of Equality is inspired by the teachings of HH Sri Chinna Jeeyar Swamiji, who envisions a society rooted in equality, health, service, and inner strength.

The Statue of Equality (Samata Murti) stands as a symbol of universal harmony, celebrating the life and teachings of Sri Ramanujacharya, who championed equality beyond caste, creed, or background. Rising 216 feet tall, it is one of the world's largest sitting statues, reminding humanity that "All are equal before God."

Through this run, Swamiji encourages each of us to embrace physical fitness, mental clarity, and spiritual oneness. As we run together in the divine presence of the Statue of Equality, we carry forward its message in every stride.
